

Dear Buyer,

We know your time is tight at Market, and you do not often have a few minutes when buying a new line to fill out credit applications.

We have provided you a generic credit form that you can fill out ahead of time, and make copies to leave where necessary.

We hope that this step will save you time at market, and eliminate calls after market looking for the information.

Please do not fax these forms to the Trends office.

Application for Credit

Registered Company Name:

Operating As:
